

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

UNITED STATES OF AMERICA

v.

ANTHONY ANTOSZ

Magistrate No. 22-727

**AFFIDAVIT FOR CRIMINAL COMPLAINT**

I, Samantha Shelnick, a Special Agent (SA) with the Federal Bureau of Investigation (FBI), being duly sworn, depose and state as follows:

**INTRODUCTION**

1. I am a Special Agent with the Federal Bureau of Investigation (FBI), assigned to the FBI Pittsburgh, Pennsylvania office. I have been so employed since March 2016. As part of my duties, I investigate violations of federal law, including the online exploitation of children, including violations pertaining to the illegal possession, receipt, transmission, and production of material depicting the sexual exploitation of minors, and the interstate travel by adults for the purpose of engaging in unlawful sexual acts with children. I have gained expertise in the conduct of such investigations through training in the area of child pornography and child exploitation investigations in my everyday work related to conducting these types of investigations, and I have had the opportunity to observe and review numerous examples of child pornography in a variety of media, including computer media. By virtue of my FBI employment, I perform and have performed a variety of investigative tasks, including the execution of federal search warrants and seizures, and the identification and collection of computer-related evidence. I have personally participated in the execution of numerous federal arrest warrants, search warrants involving the search and seizure of computer equipment in cases involving violations of Title 18, United States

Code, Sections 2250, 2251(a), 2252(a), 2422(a) and (b), and 2423—offenses involving the sexual exploitation of children, child pornography, and enticement.

2. I know that Title 18, United States Code, Section 2422(b) makes it a crime to use a facility or means of interstate commerce, such as the Internet and the telephone, to knowingly attempt to persuade, induce, entice, or coerce an individual who had not attained the age of 18 years to engage in sexual activity for which any person can be charged with a criminal offense.

3. I am aware that Pennsylvania prohibits a person from intentionally contacting a minor, including a law enforcement officer acting in an undercover capacity and assuming the identity of a minor, for the purpose of engaging in the activity of any one or more of the activities prohibited in Chapter 31 of Pennsylvania's crime code, 18 Pa. C.S. § 6318(a)(1), and that Chapter 31 of Pennsylvania's Criminal Code, Section 3122.1(b) prohibits a person from engaging in sexual intercourse with an individual under the age of 16 years and that person is 11 or more years older than the individual and the person and the individual are not married to each other, and Section 3123(a)(7) prohibits a person from engaging in deviate sexual intercourse with an individual who is less than 16 years of age and the person is four or more years older than the individual and the individual and the person are not married to each other.

4. This affidavit is being submitted in support of a Criminal Complaint and arrest warrant against defendant, ANTHONY ANTOSZ ("hereinafter referred to as ANTOSZ") charging him with a violation of 18 U.S.C. § 2422(b) (Attempted Coercion and Enticement of a Minor to Engage in Illegal Sexual Activity).

5. I am familiar with the facts and circumstances set forth in this affidavit as a result of my participation with an investigation conducted by the FBI Pittsburgh Violent Crimes Against Children Task Force, information received from other criminal investigators, and my review of

chats between the Undercover Agents (hereinafter “undercover” or “UC”) and ANTOSZ. Because this affidavit is being submitted for the limited purpose of establishing probable cause in support of a criminal complaint, I have not set forth each and every fact learned during the course of this investigation.

6. In summary, the following affidavit sets forth facts establishing probable cause that ANTOSZ used a facility of interstate commerce, the Internet and a cellular telephone network, to attempt to knowingly persuade, induce, entice, and coerce an individual who had not attained the age of 18 years to engage in unlawful sexual activity. ANTOSZ utilized the name “Tony northside” on a specific social media Internet application (hereinafter “social media platform”). ANTOSZ had one profile picture of what appeared to be an adult white male with a tongue ring. Additionally, the telephone number 412-923-9748 was listed in the “info” section of the social media profile. Furthermore, during text message conversations with the UC, ANTOSZ stated he lived in the northside area of Pittsburgh, specifically “on perrysville.” Furthermore, ANTOSZ shared several pictures of his face and body (including pictures of his genitalia) with the undercover.

7. On January 19, 2022, ANTOSZ initiated contact with the undercover, who had assumed the identity of a twelve-year-old female, via the private messaging feature on the social media platform. ANTOSZ and the UC continued to communicate on this platform until ANTOSZ provided his telephone number, 412-923-9748 and asked the UC to text that number. As ANTOSZ and the UC continued to communicate, they chatted via both the social media platform and text messaging, sometimes switching between the two mediums. ANTOSZ provided his phone number and several pictures in which you could see his face, each which allowed agents to identify ANTOSZ’S true identity. Based on my training and experience and the facts set forth in this

affidavit, there is probable cause to believe that a violation of 18 U.S.C. § 2422(b) has been committed by ANTOSZ.

**PROBABLE CAUSE**

8. In September 2021, the undercover created an account on an Internet-based application which is a geosocial networking and online dating application. The social media application runs on iOS and Android devices and is available for download from the Apple App Store and Google Play. On this social media platform, users can tap on the picture of another social media user, and the app will display a brief profile for that user, as well as the option to chat, send pictures, and share one's precise location.

9. In this investigation, the UC assumed the identity of a twelve-year-old female located in Pittsburgh, Pennsylvania. ANTOSZ used the name, "Tony northside," on the social media platform to contact the UC via this application. ANTOSZ first initiated conversation with the UC via the social media platform's private messaging feature on January 19, 2022. During the course of their conversations, ANTOSZ told the UC that he was thirty-four years old and later stated he was forty-five years old, living in the Pittsburgh area. ANTOSZ also sent several pictures of his face while chatting with the UC.

10. On or about January 20, 2022, ANTOSZ provided the UC with his telephone number, 412-923-9748, through a private message and stated, "Tex my num and I'll show u current pics." On this same day, the UC sent a text message to the telephone number provided by ANTOSZ which stated "heyy its me." ANTOSZ responded "oh hiii" and shortly thereafter sent a picture which contained his face. In summary, during this investigation, ANTOSZ engaged the undercover in private message conversations on the social media platform, as well as text message conversations from January 19, 2022 to May 16, 2022, which means ANTOSZ used a facility or

means of interstate commerce, specifically, the Internet and over a cellular phone network.

11. Searches of open-source databases revealed that ANTOSZ is forty-five years old and lives in the Northside area of Pittsburgh, Pennsylvania. The UC chatted with ANTOSZ from Pittsburgh, Pennsylvania, in the Western District of Pennsylvania. The individual pictured on ANTOSZ'S driver's license and in his public-facing Facebook profile is the same adult male depicted in the pictures ANTOSZ sent to the UC via private messages in the social media platform and through text messages. Additionally, the pictures ANTOSZ sent while chatting with the UC appear to be similar to pictures of ANTOSZ in ANTOSZ's Facebook.

12. On January 19, 2022, ANTOSZ initiated the following conversation with the UC:

13. The conversation continued on January 19, 2022, with ANTOSZ and the UC discussing where the UC goes to school and where the UC lives. The UC asked ANTOSZ where he lived and ANTOSZ stated, “I’m on the North side of pgh” and “I’m on Perrysville.”

14. Also on January 19, 2022, ANTOSZ told the UC his actual age was forty-five years old and provided an additional picture of his face during the following conversation:

15. Between February 11, 2022 and February 15, 2022, ANTOSZ had conversations with UC which were sexual in nature, including the following conversations:

16. For the rest of February 2022 and into March and April 2022, ANTOSZ continued to speak almost daily with the UC. On April 27, 2022, ANTOSZ engaged the UC in the following conversation:

19. On May 16, 2022, ANTOSZ continued to speak with the UC about him purchasing a Lyft ride for the UC to come to his residence that day. On May 16, 2022, at approximately 5:33 PM, ANTOSZ sent the UC a screenshot and link confirming that he purchased a Lyft ride for the

purported minor to travel from her purported residence in Allegheny County to his residence located at 2143 Perrysville Avenue in Pittsburgh, Pennsylvania. The Lyft ride was supposed to arrive at ANTOSZ's residence at approximately 6:13 PM.

20. Shortly before the estimated arrival time, ANTOSZ went outside his residence. At approximately 6:14 PM, outside of ANTOSZ's residence located at 2143 Perrysville Avenue in Pittsburgh, Pennsylvania, agents arrested ANTHONY ANTOSZ for violating 18 U.S.C. § 2242(b), attempted coercion and enticement of a minor to engage in sexual activity. Upon detaining ANTOSZ, agents seized ANTOSZ's cellular telephone from him. At this time, which was approximately 6:15 PM, the undercover sent a "test" text message to the phone number which ANTOSZ gave to the UC and via which ANTOSZ had been communicating with the UC since January 2022. Your affiant later saw the "test" message on the Samsung cellular telephone seized from ANTOSZ at the time of his arrest.

21. Following ANTOSZ's arrest, agents conducted a safety sweep and discovered that ANTOSZ had lined the stairs leading up to his apartment with lit candles.

22. ANTOSZ, who is forty-five years old, admitted in a Mirandized and audio and video recorded interview that he was the individual who has been communicating with the UC, whom he knew to be twelve or thirteen-years-old, for several months, via a social networking application and text message. On May 16, 2022, ANTOSZ paid for a Lyft ride for the purported minor to travel from her purported residence in Allegheny County to his residence located at 2143 Perrysville Avenue in Pittsburgh, Pennsylvania to engage in sexual activity with the purported child. ANTOSZ admitted in the Mirandized and audio and video recorded interview that he paid for the purported child to come to his residence so that he could engage in sexual activity, as much as she would let him, with the purported child.

21. The acts that ANTHONY ANTOSZ planned to engage in with the purported child, as described in his chats with the undercover and in statements made by him during his interview, are crimes punishable under Pennsylvania law, as described above at paragraph 3.

**CONCLUSION**

22. Considering all of the foregoing, there is probable cause to believe that, from on or about January 19, 2022, and continuing thereafter until on or about May 16, 2022, in the Western District of Pennsylvania, the defendant, ANTHONY ANTOSZ, did use a facility or means of interstate commerce, the Internet and over a cellular phone network, to knowingly attempt to persuade, induce, entice or coerce an individual who had not attained the age of 18 years to engage in sexual activity for which any person can be charged with a criminal offense, in violation of 18 U.S.C. § 2422(b).

23. The above information is true and correct to the best of my knowledge, information, and belief.
